8:06 PM **me**: so, because I got a whole bunch of recommends at Kos with my wikileaks diary the other day, I am now a "trusted user"
which means I get to say the comments that have been made invisible to regular users by virtue of having been downvoted

20 minutes

8:27 PM **Caleb**: I don't follow.
You get to say the comments?
me: fuck you faggot
8:28 PM **Caleb**: You get to see the comments?
me: yep
Caleb: So...?
What the implications?
8:29 PM **me**: I can see hilariously terrible troll comments
Caleb: Boy, that's somethin'!
8:30 PM **me**: unrelated, but amusing

8:32 PM **Caleb**: I don't need to read that.
8:33 PM **me**: it's from some upset teacher
who writes terribly
8:34 PM so terribly that the typically OMG I'M SO SORRY crowd at Kos makes fun of her or him
Caleb: Yeah, I gathered that from the first sentence.
